

UNIVERSITY OF WASHINGTON
Department of Economics

Certificate in Quantitative Managerial Economics

Description

The department offers a **Certificate in Quantitative Managerial Economics** to qualified undergraduates. The purpose of this certificate is to offer students in economics a more advanced and a high quality preparation for the business world within a specific discipline: economics. It may also appeal to students interested in a career in government. This certificate provides a strong background to students planning to do graduate work in business or in finance, and it is an excellent preparation for the MBA or a Public Affairs graduate program.
